**BLUEPRINT Tools & Materials Mail Order Catalogue 2024**  
for  
**Museum Conservation Services, Private Studio Practice, and Facilities and Collections Maintenance**

The BLUEPRINT Mail Order Service is a specialised service maintained under the auspices of the Institute. This supply service was inaugurated in 1994, and stands in support of trained conservation professionals or heritage institutions whom are engaged in the respective specialisms of Ceramics Conservation, Metals Conservation or Paper Conservation.

When orders are received, such orders are filled based on the presumption that the purchaser is already suitably trained and skilled in the use and application of such materials and/or equipment. If the purchaser recognizes that he/she will need assistance, such prior technical knowledge and guidance on product use should ideally be obtained by participation in appropriate training opportunities, whether at the Institute or at equivalent, formal institutions.

The stock code of each item on the price list nominates its primary field of application: The prefix "C" denotes the specialism of Ceramics Conservation, the prefix "M" denotes the specialism of Metals Conservation, while the prefix "P" marks items that are topical to the specialism of Paper Conservation. Combinations of these numerals indicate a product's versatility across the indicated specialisms.

Kindly note that the Institute's faculty staff resources stand in full commitment to its year-round training programme. **The benefit of telephonic consultations will therefore (as always) be limited to persons who do in fact have formal training in the specialism directly related to their product purchase. Except for officers of heritage institutions, no departure from this long-held policy can be supported, as it would amount to distance education and be prejudicial to the interests of individual practitioners whom have invested in their formal training and skills. Kindly bear this in mind when considering a purchase...**

**How to Order...**

**Orders may be placed telephonically by calling +27 (0)42 273 1567, or via email addressed to [orders@sainst.org](mailto:orders@sainst.org). All orders are dispatched within 24 business hours of receipt.**
