## 2021 POSTGRADUATE DIPLOMA PROGRAMME

When students enrol at SAIHSC, a tuition fee is charged for the programme. Below, find a breakdown of the various items that are respectively covered / not covered by the tuition fee:

### INCLUDED IN TUITION FEES\*

TUITION FEES INCLUDE:
Scheduled course tuition and academic, technical & administrative support rendered by staff.
Use of the Institute's technical equipment and materials, as identified by the faculty staff, and essential for the completion of the programme (exceptions being fax; copier; print & binding services).
Programme related orientation activities.
Academic textbook bundle (loan set or purchase set - at their respective costs - as per student's preference)
Access to the Institute's networked media room during 3 <sup>rd</sup> trimester – in support of dissertation research.
Internet WiFi connection. (Regular student housing units offer uncapped internet access - custom housing arrangements might not.)
Access to the Institute's physical library of volumes, permitting volumes to be relocated to the reading room upon request.
Use of the Institute's campus and facility resources for scheduled activities and learning support.
Certain miscellaneous provisions, including one, white laboratory overcoat, issued at the inception of the 1 <sup>st</sup> trimester.
Programme assessment, awards and graduation function. (External examination fee of dissertation excepted)

### NOT INCLUDED or COVERED\*

ITEMS NOT INCLUDED (PROGRAMME & TUITION)	ESTIMATED COSTS
All private travel and transport.	Variable depending on the distance travelled and the method of transport chosen. <i>Please note: Twee Riviere is located 190km from the nearest airport and 100km from the closest bus node. (Logistical support can be arranged via the Administration Office, though basic reimbursement may be required.)</i>
Travel and refreshments relating to programme related field excursions, conservation deployments or site visits, etc.	Variable depending on duration of excursion and distance travelled and the method of transport chosen.
Library fines & charges, lost student badges charges, etc.	Policy under development
Outside of student housing, outdoor internet connectivity may be sustained by data bundles, obtained from cafeteria.	Packages vary
Fees due to external/foreign examiners of student dissertations	As levied by foreign university or participating external examiner
Stationery, binding of dissertation, reports, journals, etc.	As per student's own providers & resources
Printing or copying	To be confirmed (estimate: R2,50 mono & R5,00 colour / sheet)
Supplementary and replacement laboratory overcoats	R163 (excl. VAT) per replacement coat
Requisite tuition tool kit (becomes student's own property)	R2 650 (excl. VAT) (own tools, for use during technical conservation modules)

ITEMS NOT INCLUDED ( <i>HOUSING &amp; SUBSISTENCE</i> )	ESTIMATED COSTS
<i>Additional</i> or exceptional tools and materials that the student may wish to purchase (24ct gold leaf, etc)	At cost via in-house <i>BLUEPRINT Science for Conservation™</i>
Daily meals and refreshments	Variable – own provisions and/or campus cafeteria
Costs of household cleaning materials and miscellaneous wares (relating to student housing)	Variable depending on own selections / purchases
On campus vehicle parking at student housing	No cost, if permit granted
